SALON

Pampering Season

If the persistent rain has left you in dire need of a revitalizing treatment or two, then **Lavish Salon and Spa** could be the answer. Inside a marble-clad room on the second floor of Sala Daeng's Bandara Residence, a team of well-coiffed hair stylists offers cuts (from B700), perms (starting at B5,000) and special scalp detox treatments (B2,500) to give your 'do that extra bit of zhoosh. Step further inside to the spa for a reasonably-priced array of massages and scrubs. Treat yourself to Lavish's signature Indian head massage with warm coconut oil (B990) or the two-hour aromatherapy warm oil massage and herbal steam (B2,300). 2/F, Bandara Residence, 130 Saldaeng Soi 1, 02-636-1277. Open daily 9am-10pm
