Bandara Villas, Phuket settled on Phuket unspoiled beach, Yon Harbour, a place of alluring beauty where soft sand met warm, crystalline waters.

The resort's all-pool villa accommodation provides exceptional privacy and comfort. Each luxurious suite features sweeping sea views and lush green surroundings. Inside, design concept takes inspiration from the early merchant settlers' wish to live on shore yet retain what drew them to the sea.

Only 45 minutes from Phuket International Airport, Resort guests will experience Bandara's distinctive approach to hospitality, which itself is firmly rooted in long-standing Thai traditions of warmth and gentleness while providing all the amenities and conveniences expected by today's holidaymakers and pleasure seekers.
